# Vision & Mission

## **Vision Statement**

Community Change envisions people and organizations that have what it takes and does what it takes to support the survival and success of their community. We envision young people in positions of power and masters of the industries in their areas of interest.

## **Primary Mission:**

*To make our community a better place to live.*

## **Secondary Mission:**

*To prepare young people to achieve positions of power;*

## **Tertiary Mission:**

*To prepare young people to be the masters of the industries in their areas of interest.*

# Community Change, Inc.

**Community Change, Inc.** has four subsidiary companies: CareerVisions, Ltd., CareerVisions, NY, Professor A.I. and Community Change, Africa

1. **CareerVisions, Ltd.** implements CCI's short-term, and year-to-year projects.
  2. **CareerVisions, NY**, is CCI's nonprofit, 501(c)3 organization that implements CCI's state-wide, multi-year, grant-funded projects.
  3. **Professor A.I.** is CCI's EdTech company that provides artificial intelligence-powered resources for teaching and learning. Professor A.I. also provides technological design services and solutions to address the organizational development needs of youth and community-serving agencies.
  4. **Community Change, Africa** is CCI's non-governmental organization (NGO) base on the continent of Africa to deliver its range of services.
-

# Community Change, Inc.

Community Change, Inc. (aka Career Visions, Ltd.) supports the survival and success of youth, families, communities, and the agencies that serve them through six services:

- Youth Programs
- Parent & Family Engagement
- Professional Development
- Course & Curriculum Development
- Strategic Planning
- Fund Development & Grant Writing

# CCI's Pedagogical Approach

To support the survival and success of youth, adults, and the agencies that serve them.
